You will be able to view your placeme outcomes in your report. Your comprehension is average. Also compare the following values on your report: Your personal words per minute with both the international norm and the EBG system average. Your current words per minute should be the same or higher than the norm level, but can go as high as the EBG Reading level goal for your stage.

We recommend that you sign-up for a EBG training course in order to learn and practise how to see more, read faster, remember better and reason clearer. After completion of your EBG course you can continue with training on eyegym or vocabgym. Feel free to contact us should you require any assistance.
